Paying for It, "a comic strip memoir about being a john", is a 2011 graphic novel by Canadian cartoonist Chester Brown. A combination of memoir and polemic, the book explores Brown's decision to give up on romantic love and to take up the life of a "john" by frequenting prostitutes. The book, published by Drawn and Quarterly, was controversial, and a bestseller.

If a full time worker receives extra or an enhanced rate of pay for overtime, a part time worker should receive the same rate of pay after working the same amount of hours. Unless the contract says differently, there is no obligation on an employer to pay a part time worker an overtime rate until they have worked the same amount of hours as their full time counterpart.
