Below is an archive of selected Polaroid and Impossible Project camera manuals. You should be able to find the information you are seeking by reading the camera manual most relevant to the camera you have. It's worth noting that not all Polaroid camera models had their own specific manual, and often one manual would cover several similar model types.

Where can I find a user manual for my Polaroid camera ...

The Land Camera 1000 is a foreign-markets version of the original Onestep model, meaning it has a fixed focus plastic lens. The model 1000 or original OneStep models are distinguished among the range in that they were made available with 2 different coloured shutter buttons - either green or red; there is some debate among collectors as to which was more common. A matching electronic flash was ...

Picture this: at the Polaroid company meeting in 1972, founder Edwin Land stepped onto the stage, pulled a camera out of his jacket pocket, and took five instant photos in just ten seconds. That camera was the Polaroid SX-70, and it was the camera that made truly instant photography possible for the first time ever.
