Psychological Testing: 9780023030857: Medicine & Health ... Anastasi and Urbina's Psychological Testing is arguably the worst-written book I have ever had the displeasure of reading. The book is rife with arcane jargon that the authors never bother to define.

Psychological Testing, 7 Ed: Urbina Anastasi ...

Anne Anastasi (December 19, 1908 – May 4, 2001) was an American psychologist best known for her pioneering development of psychometrics. Her generative work, Psychological Testing, remains a classic text in which she drew attention to the individual being tested and therefore to the responsibilities of the testers. She called for them to go beyond test scores, to search the assessed individual's history to help them to better understand their own results

Review: "Psychological Testing" by Anne Anastasi. The field of testing has grown so rapidly that most contemporary books on psychological testing are either extensive and superficial, or intensive and incomplete. Anastasi's new college text achieves a nice compromise between these extremes. This is not a compendium of present-day tests, each briefly described and briefly criticised.
