Kiyosaki's latest entry in his endless 'Rich Dad' series melds watered down economic conspiracy theory with his plain spoken approach to real estate focused investing. For those that are completely unaware of the function of the Federal Reserve and the mechanisms and workings of global finance, ie most people, the information in this book may be potentially valuable and eye opening.

~~Rich Dad's Conspiracy of the Rich—The 8 New Rules of—~~

Conspiracy of the rich is very poorly written, it goes over and over the same ground relentlessly. If the information given was not of value I would mark it down very harshly for this. However I do get the impression that some of the repetition is deliberate so that the way of thinking becomes ingrained.
