Only true love can free a captive heart.Landon Jenks, retired four-time Golden Glove-winning shortstop for the Chicago Cubs, is lonely, heartbroken, and in desperate need of simple human contact. Trapped in the sticky fine print of an ironclad contract that forbids him from revealing his very-much-single status until the season finale of his reality show airs, he calls an elite male escort service that caters to the rich and wretched.Accustomed to servicing his often less than savory clients at more upscale locales, twenty-six-year-old Toby Carmichael is surprised when his handler sends him to a run-down motel off I-55. But "surprise" doesn't come close to describing the shock that rocks his system when a delightful stuttering mess covered in tattoos and nearly ten years his senior stumbles into the room-and right into his heart.For the first time since Toby was forced into the life of prostitution, a kiss sparks a desire that has nothing to do with money and everything to do with genuine chemistry and the faintest beginnings of something so much more. But Toby's dark past and troubled present make it impossible to see a future with Landon. And when the truth comes to light, a horrified and helpless Landon is determined to save Toby at all costs.

I won't take no for an answer. She says she's an innocent student and I've made a terrible mistake. I'm a cruel mafia boss. I don't make mistakes. I'm going to punish my captive for what she's done to me. Ravage her until she begs me to stop. Then I'm going to control her body, mind, and soul. Make her cry out my name in ecstasy. And when she can't take any more of my obsessive dominance? I'm going to make her my bride. The Mafia Don's Captive is a dark romance, third standalone in the Obsessive Mobster series. It contains intense scenes that may trigger some readers including firm discipline and humiliating punishment. Please only buy if comfortable with possessive D/s themes.

She's terrified of me. She should be. I'm no saint, but apparently even killers have limits. When the Bratva hired me as security for the night, I didn't know it was a flesh trade. I could have kept my cool, done my job, but then I saw her. Pure as a lily, dressed in skimpy lingerie, and being auctioned off to the foulest men in Brighton Beach. I'm not used to this white knight sh\*t, but I did what I had to do. I outbid those pieces of trash and bought myself a bride. What the hell do I do with a sweet, subservient woman who's been trained to obey her husband? I can think of some things my baser instincts want me to do... But when she submits to me, I'm going to be the man that deserves it, not just the one she owes it to. So I'm going to make her life better. I'm going to make her want me just as bad as I want her. And at night, when my new princess is slumbering, I'm going to make every one of those pimps pay in blood. I will protect her... and our unborn baby.
