~~Sampling Techniques / Edition 3 by William
G. Cochran ...~~

This book was developed from a course of lectures on sample survey techniques which I gave for a few years at North Carolina State College to students who intended to make their careers in the field of statistics. The

Read PDF Sampling Techniques William G

purpose of the book is to present a reasonably comprehensive account of sampling theory as it has been developed for use in sample surveys, with sufficient illustrations to show how the theory is applied in practice, and with a supply of exercises to be worked by the student.
