Simon Basset, the irresistible Duke of Hastings, has hatched a plan to keep himself free from the town ’ s marriage-minded society mothers. He pretends to be engaged to the lovely Daphne Bridgerton. After all, it isn ’ t as if the brooding rogue has any real plans to marry - though there is something about the alluring Miss Bridgerton that sets Simon ’ s heart beating a bit faster. And as for Daphne, surely the clever debutante will attract some very worthy suitors now that it seems a duke has declared her desirable. But as Daphne waltzes across ballroom after ballroom with Simon, she soon forgets that their courtship is a complete sham. And now she has to do the impossible and keep herself from losing her heart and soul completely to the handsome hell-raiser who has sworn off marriage forever!

A #1 New York Times Bestseller From #1 New York Times bestselling author Julia Quinn comes the story of Daphne Bridgerton, in the first of her beloved Regency-set novels featuring the charming, powerful Bridgerton family, now a series created by Shondaland for Netflix. In the ballrooms and drawing rooms of Regency London, rules abound. From their earliest days, children of aristocrats learn how to address an earl and curtsy before a prince--while other dictates of the ton are unspoken yet universally understood. A proper duke should be imperious and aloof. A young, marriageable lady should be amiable...but not too amiable. Daphne Bridgerton has always failed at the latter. The fourth of eight siblings in her close-knit family, she has formed friendships with the most eligible young men in London. Everyone likes Daphne for her kindness and wit. But no one truly desires her. She is simply too deuced honest for that, too unwilling to play the romantic games that captivate gentlemen. Amiability is not a characteristic shared by Simon Basset, Duke of Hastings. Recently returned to England from abroad, he intends to shun both marriage and society--just as his callous father shunned Simon throughout his painful childhood. Yet an encounter with his best friend's sister offers another option. If Daphne agrees to a fake courtship, Simon can deter the mamas who parade their daughters before him. Daphne, meanwhile, will see her prospects and her reputation soar. The plan works like a charm--at first. But amid the glittering, gossipy, cut-throat world of London's elite, there is only one certainty: love ignores every rule... This novel includes the 2nd epilogue, a peek at the story after the story.

But tempting Wallingford into her bed proves more difficult than she imagined. Restless and dissatisfied with his debauched life in London, the formerly rakish duke is determined to spend a year chaste. But as Abigail tries her best to seduce him, Wallingford finds his resolve crumbling in the face of her irresistible charm...and her alluring secrets.

and dangerous noble brothers imprisoned and robbed of their inheritance, but free now and determined to reclaim their birthright. Perfect for fans of Lisa Kleypas and Liz Carlyle. Sebastian Easton always vowed he would avenge his stolen youth and title. Now back in London, the rightful Duke of Keswick—returning from battle a wounded, hardened, changed man—cannot forget the brave girl who once rescued him and his brothers from certain death. Lady Mary Wynne-Jones paid dearly for helping the imprisoned young Lords of Pembroke, and she remembers well the promise she made to Sebastian all those years ago: to meet him once more in the abbey ruins where they shared a bold, forbidden kiss. While Mary is now betrothed to another, a friendship forged with dark secrets cannot be ignored. Unexpected passion soon burns dangerously between them, tempting Sebastian to abandon his quest for retribution and fight for a love that could once again set him free.

"If...looking for something new with Austen's spirit, humor, and dashing heroes, they can't do better than MacGregor." - Entertainment Weekly *A Duke in Time* is the first book in a three-story arc that will have you rooting for leading heroines, searching for lost dowries, and falling for swoon-worthy heroes. Katherine Vareck is in for the shock of her life when she learns upon her husband Meri's accidental death that he had married two other women. Her entire business, along with a once-in-a-lifetime chance to be a royal supplier, is everything she's been working for and now could be destroyed if word leaks about the three wives. Meri's far more upstanding brother, Christian, Duke of Randford has no earthly clue how to be of assistance. He spent the better part of his adult years avoiding Meri and the rest of his good-for-nothing family, so to be dragged back into the fold is...problematic. Even more so is the intrepid and beautiful Katherine, whom he cannot be falling for because she's Meri's widow. Or can he? With a textile business to run and a strong friendship forming with Meri's two other wives, Katherine doesn't have time for much else. But there's something about the warm, but compellingly taciturn Christian that draws her to him. When an opportunity to partner in a business venture brings them even closer, they'll have to face their pasts if they want to share each other's hearts and futures.
