Orkney lies only 20 miles north of mainland Scotland, yet for many centuries its culture was more Scandanavian than Scottish. Strong westerly winds account for the scarcity of trees on Orkney and also for the tradition of well-constructed stone structures. As a result, the islands boast a large number of exceptionally well-preserved remains, which help us to form a detailed picture of Orcadian life through the ages. Sites and remains to be explored include settlements from the Stone Age, stone circles and burials from the Bronze Age, Iron Age brochs, Viking castles, the magnificent cathedral of St Magnus in Kirkwall, Renaissance palaces, a Martello tower from the Napoleonic Warsand numerous remains from the Second World War.In this updated edition of her best-selling book, Caroline Wickham-Jones, who has worked extensively on Orcadian sites for many years, introduces the history of the islands and provides a detailed survey of the principal places and sites of historic interest.

Pocket Rough Guide Skye & the Western Isles Make the most of your time in Great Britain with the ultimate travel guides. Entertaining, informative and stylish pocket guide, now with free eBook. adt's new guide to the Outer Hebrides: The Western Isles of Scotland, from Lewis to Barra, by experienced writer and journalist Mark Rowe is the only full-size guide to focus solely on the islands of Lewis, Harris, St Kilda, North Uist, Benbecula, South Uist, Eriskay, Barra and Vatersay. Masses of background information is included, from geography and geology to art and architecture, with significant coverage of wildlife, too, as well as all the practical details you could need: when to visit, suggested itineraries, public holidays and festivals, local culture, plus accommodation and where to eat and drink. Walkers, bird-watchers, wildlife photographers, beach lovers and genealogists are all catered for, and this is an ideal guide for those who travel simply with curious minds to discover far-flung places of great cultural, historical and wildlife interest. The Outer Hebrides is an archipelago of 15 inhabited islands and more than 50 others that are free of human footprint. Huge variations in landscape are found across the islands, from Lewisian gneiss, which dates back almost three billion years, to rugged Harris with its magnificent sands running down its western flanks and the windswept, undulating flatness and jagged sea lochs of the Uists. This is a land where Gaelic is increasingly spoken and ancient monuments abound, where stunning seabird colonies and birds of prey can be watched, and where the grassy coastal zones known as the machair are transformed into glorious carpets of wildflowers in late spring and summer. Whether visiting the Standing Stones of Callanish, the Uig peninsula, Barra's Castle Bay, or historic St Kilda, or if you just want to experience the romance of the Sound of Harris, one of the most beautiful ferry journeys in the world, Bradt's Outer Hebrides: The Western Isles of Scotland, from Lewis to Barra has all the information you need.

Handy little full colour map of the Western Isles of Scotland. Detailed mapping and tourist information for the islands of Lewis, Harris, Uist, Benbecula, Barra and St Kilda. Excellent value and very detailed for its size.Main features of this map include: - Clear mapping at a scale of 3.2 miles to 1 inch- Tourist attractions located and described- Ideal for touring with sights, places to stay, cafe/restaurant, things to do all on the map- Transport links map showing how to get to and depart the islands- Index to places of interest and place namesEssential for those planning a trip around the Western Isles.

This guidebook describes 87 of the best walks and scrambles on the Isle of Skye. Not only limited to the popular routes on the Black Cuillin or Skye's 12 Munros, the guide offers a comprehensive selection of routes in all areas of the island; in Sleat and South-East Skye, Strath, Minginish, Duirinish, Waternish and Trotternish. The routes range in length from 2 to 23km, so while there are opportunities for novice walkers, routes can also be combined for longer trails and difficult scrambles. Skye can delight walkers and scramblers at every turn, from sea stacks to fell tops; corries to rugged cliffs and plenty in between. Walkers on Skye should be prepared for strenuous trails and wilderness, as well as changeable weather, navigation, and - depending on the route - scrambling skills. Alongside detailed descriptions and OS maps for every route, the guidebook also includes practical information essential to making the most out of a visit to Skye. From travel to and around the island, to advice on accommodation, where to stock up on supplies and who to call in emergencies. The result is an excellent companion to exploring the best of Skye.

We are launching our exciting new Point Paperbacks imprint with this novel from acclaimed author Donna Cooner, about the way we live our lives -- and lies -- on social media. Skye's social media game is always on point. Until her best friend, Asha, films an embarrassing video of Skye at a sleepover and posts it online. But Asha quickly deletes the post, so everything's okay. Right?Then Skye gets an anonymous message. Someone has texted her a screenshot from the video. This person threatens to share the shocking photo online . . . unless Skye does whatever they say. Skye's perfect image -- and privacy -- are suddenly in jeopardy. What will Skye do to keep the screenshot under wraps? And who is trying to ruin her life?

The new edition of this leisure and tourist map of Skye and Lochalsh gives detailed coverage of the area's road network at a scale of approximately 2.25 miles to 1 inch. The map shows places of tourist and historic interest, including castles, camping sites, country parks, galleries, gardens, golf courses, marinas, museums, nature trails, historic sites, sports venues, theatres, theme parks, wildlife parks and zoos. An index to principal places of interest is also featured. In a convenient folded format, this single-sided sheet map is ideally suited for both leisure and business use, whether by locals or visitors.
