Founded in 1957, Chase's observes its 60th anniversary with the 2018 edition! Users will find everything worth knowing and celebrating for each day of the year: 12,500 holidays, historical milestones, famous birthdays, festivals, sporting events and much more. "One of the most impressive reference volumes in the world."--Publishers Weekly.
In Destinations in Mind, Kimberly Casibary asks how objects depicting different sites helped Romans understand their vast empire. At a time when many cities were written about but only a few were represented in art, four distinct sets of artifacts circulated new information. Engraved silver cups list all the stops from Spanish C dí z to Rome, while resembling the milestones that helped travelers track their progress. Vivid glass cups represent famous charioteers and gladiators competing in circuses and amphitheaters, and offered virtual experiences of spectacles that were new to many regions. Bronze bowls commemorate forts along Hadrian's Wall with colorful enameling typical of Celtic craftsmanship. Glass bottles display labeled cityscapes of Baia, a notorious resort, and Puteoli, a busy port, both in the Bay of Naples. These artifacts and their journeys reveal an empire divided not into center and periphery, but connected by roads that did not all lead to Rome. They bear witness to a shared visual culture that was divided not into high and low art, but united by extraordinary craftsmanship. New aspects of globalization are apparent in the multi-lingual placenames that the vessels bear, in the transformed places that they visualize, and in the enriched understanding of the empire's landmarks that they impart. With in-depth case studies, Casibary argues that the best way to comprehend the Roman Empire is to look closely at objects depicting its fascinating places.

The Catholic Church has always placed before the eyes of the faithful the example of holiness set by the saints. In the first Preface of the Mass for Holy Men and Women we read: "In their lives on earth you give us an example. In our communion with them you give us their friendship. In their prayer for the Church you give us strength and protection." Moreover, as the Second Vatican Council put it, "every act of love offered by us to those who are in heaven tends to and terminates in Christ, the crown of all the saints, "and through him in God who is wonderful in his saints and is glorified in them." This book, then, should be a welcome addition to the ever increasing number of volumes that treat of the lives of the saints. With the addition of feast days proper to the United States, it is offered to the English-speaking public in the hope that it will foster greater devotion to the saintly men and women who are not only historical figures worthy of our veneration but models worthy of our imitation.

A relative newcomer to the paranormal-teen drama scene, the hit TV show Supernatural has already developed a rabid and deeply committed fan base since its debut in the fall of 2005. When their dad mysteriously disappears, brothers Dean and Sam Winchester join forces to bring him home and are pulled headlong into the world he knew best—one full of demons, spirits, monsters, and ghosts. Featuring essays from three lucky fans as well as leading writers and pop culture experts, this insightful anthology sheds light on a variety of issues, including why such a male-centric show has such a large female fan base, "Wincest" and homoeroticism, how Supernatural can be interpreted as a modern-day Brothers Grimm, and the questionable nature of John Winchester's parenting habits.

By the award-winning author of The Secret Countess.

" Want to read something good? . . . If you like my stuff, you ' ll like this. " —Stephen King • WINNER OF THE ITW THRILLER AWARD • WINNER OF THE STRAND MAGAZINE AWARD FOR BEST DEBUT NOVEL A riveting psychological suspense debut that weaves a mystery about a childhood game gone dangerously awry, and will keep readers guessing right up to the shocking ending In 1986, Eddie and his friends are on the verge of adolescence, spending their days biking in search of adventure. The chalk men are their secret code, stick figures they draw for one another as hidden messages. But one morning the friends find a chalk man leading them to the woods. They follow the message, only to find the dead body of a teenage girl. In 2016, Eddie is nursing a drinking problem and trying to forget his past, until one day he gets a letter containing a chalk man—the same one he and his friends saw when they found the body. Soon he learns that all his old friends received the same note. When one of them is killed, Eddie realizes that saving himself means figuring out what happened all those years ago. But digging into the past proves more dangerous than he could have known. Because in this town, everyone has secrets, no one is innocent, and some will do anything to bury the truth. Praise for The Chalk Man " Wonderfully creepy—like a cold blade on the back of your neck. " —Lee Child " An assured debut that alternates between 1986 and 2016 with unpredictable twists. The Chalk Man fits well with other stories about troubled childhoods such as Stephen King ' s novella Stand by Me. . . . Tudor never misses a beat in showing each character as both a child and an adult while also exploring the foreboding environs of a small town. " —Associated Press " Utterly hypnotic. The Chalk Man is a dream novel, a book of nightmares: haunted and haunting, shot through with shadow and light—a story to quicken the pulse and freeze the blood. A dark star is born. " —A.J. Finn, #1 New York Times bestselling author of The Woman in the Window " If you can ' t get enough of psychological thrillers with sharp twists and turns, you need to read The Chalk Man " —Hello Giggles " I haven ' t had a sleepless night due to a book for a long time. The Chalk Man changed that. " —Fiona Barton, New York Times bestselling author of The Widow

Living a life with chronic illness can be like navigating a difficult, winding road on a journey filled with choices and questions, hopes and tears. We may see the signs along the way leading us in the right direction, yet we can be distracted by doubts or by the promise of a shortcut. So how do we find the way to healing and peace, avoiding the obstacles and distractions along the road? My New Normal is an inspiring memoir of one womans experience confrontingand managingchronic illness. Through introspective moments of pain and doubt, author Alison Carter reveals how she was able to renew her faith and find peace, and she invites you on her search for answers as she navigates opinions and beliefs about illness, reflects on why we suffer, and discovers how to find purpose when normal no longer exists. From the moment she admitted that something was wrong, and even up to her arrival at acceptance, Alisons faith faced moments of both heartbreaking hesitation and uplifting renewal. Join Alison on her journey as she learns to define and redefine what it means to thrive while living with chronic illness.
