Suzuki's Fuel-Efficient, High Performance, New Generation DF50. In 2011, Suzuki announced the launch of new fuel-efficient and high performance four stroke outboard motors - the new generation DF50. The new model boast a host of technical features that combine to give them increased fuel efficiency and performance, while weighing less and fitting more compactly on the transom - all of which are qualities that today's boaters are demanding.

Suzuki DF 50A Model & Serial Numbers As of the 2011 - Suzuki no longer categorizes the outboard motors by model years. Therefore, when you are looking up your model from the drop-down menus if you do not see your model listed in the Model Year Drop Down you will need to go to the very bottom of the Drop-Down listings and select the SERIALIZED MODELS category to look up parts.
