This unique study examines Western foreign fighters in Syria during the Civil

# Bookmark File

## PDF Syria A

War through 2015.

Syria has become a beacon for foreign fighters. Estimates in 2015 indicate that over 20,000 men and women have gone there to fight for various insurgent groups. This conflict is unique due to the unprecedented number of Westerners fighting. The central

# Bookmark File

## PDF Syria A

purpose of this study is to better understand recruitment and mobilization mechanisms as they pertain to fighters from Western nations. Why are these men and women leaving the relative safety of the West to enter a violent internecine conflict? What will

# Bookmark File PDF Syria A

happen if they decide to return home? To answer these questions, this thesis constructs 20

Western foreign fighter profiles from open source demographic, biographical, and motivational information, and then presents the findings. In particular, three
