Anatomy: A complete Guide for Artists is in fact a very complete guide. As an aspiring artists I have purchased several books on figure drawing. One of the enduring themes in nearly all these books is the importance of having a really good knowledge of human anatomy. The layout of Joseph Sheppard's book is designed with the artists in mind.

Artist's Proof comes from a historical practice of a publisher giving the artist one or more prints of an edition to sell as payment for their work. Though today artists get paid for their editions, the tradition has continued and a set amount of impressions are put aside for the artist; usually annotated "A.P." or "E.A." (Epreuve d'artiste).
