Samara is one of the Knowing, and the Knowing do not forget. Hidden deep in the comfort and splendor of her underground city, a refuge from the menace of a coming Earth, Samara learns what she should have never known and creates a memory so terrible she cannot live with it. So she flees, to Canaan, the lost city of her ancestors, to Forget. Beckett has flown through the stars to find a dream: Canaan, the most infamous social experiment of Earth's antiquity. Beckett finds Samara in the ruins of the lost city, and uncovers so much more than he ever bargained for -- a challenge to all he's ever believed in or sworn to. When planets collide and memories clash, can Samara and Beckett save two worlds, and remember love in a place that has forgotten it? At once thought-provoking and utterly thrilling, this extraordinary companion novel to Sharon Cameron's #1 New York Times bestselling The Forgetting explores the truth and loss that lie within memory, and the bonds that hold us together.

For fans of Eckhart Tolle—a guide to mastering self-awareness through direct experience rather than old presumptions or harmful thought patterns Through decades of martial arts and meditation practice, Peter Ralston discovered a curious and paradoxical fact: that true awareness arises from a state of not-knowing. Even the most sincere investigation of self and spirit, he says, is often sabotaged by our tendency to grab too quickly for answers and ideas as we retreat to the safety of the known. This "Hitchhiker's Guide to Awareness" provides helpful guideposts along an experiential journey for those Western minds predisposed to wandering off to old habits, cherished presumptions, and a stubbornly solid sense of self. With ease and clarity, Ralston teaches readers how to become aware of the background patterns that they are usually too busy, stressed, or distracted to notice. The Book of Not Knowing points out the ways people get stuck in their lives and offers readers a way to make fresh choices about every aspect of their lives—from a place of awareness instead of autopilot.

The daughters of beloved teacher Wayne Dyer share their ever-evolving understanding of their father's timeless teachings. “This book is our song for our father and for everyone, because we’re all born with a Knowing—an inner compass, the quiet urgings of our soul that guide us. It is through giving love, offering kindness, and paying attention that we can return to our Knowing.”—Saje Dyer and Serena Dyer Pisoni To millions of readers around the world, Dr. Wayne Dyer was the beloved “Father of Motivation”—but to Serena, Saje, and their six siblings, he was simply “Dad.” When he died suddenly in 2015, the sisters were blindsided by grief and felt unprepared to navigate life’s challenges and conflicts without his guidance. The experience launched them on an adventure from loss to understanding as they came to realize and metabolize their father’s teachings with a new urgency, intimacy, and power as they applied them to their lives. As their journey unfolded, they realized their father’s wisdom—“The Knowing”—was embedded in their DNA ... as it is for all of us. “We didn’t discover The Knowing,” write the authors. “We simply returned to it.” In The Knowing, Saje and Serena share how they recommitted to the teachings of their father and, in doing so, created their own evolution of his principles that they teach today. They share the 11 lessons that cracked them open and sparked their own spiritual journey, including • Parented in Pure Love—the joys, surprises, and gifts of growing up in the Dyer family • How the Soul Remembers—how to become a host for miracles instead of a hostage to circumstance • Take Your Shoes Off—bringing stillness to the mind to open your heart to guidance • The Geometry of Forgiveness—change your life and the lives around you with a simple prayer • Especially Love—how to always return to love, kindness, and receptivity The Knowing is a book for seekers young and old, for fans of Wayne Dyer’s work and newcomers alike. Here is a profound and loving guide to lead you back—in crisis, in joy, or in this present moment—to the wellspring of wisdom that always dwells within.

What isn't written, isn't remembered. Even your crimes. Nadia lives in the city of Canaan, where life is safe and structured, hemmed in by white stone walls and no memory of what came before. But every twelve years the city descends into the bloody chaos of the Forgetting, a day of no remorse, when each person's memories -- of parents, children, love, life, and self -- are lost. Unless they have been written. In Canaan, your book is your truth and your identity, and Nadia knows exactly who hasn't written the truth. Because Nadia is the only person in Canaan who has never forgotten. But when Nadia begins to use her memories to solve the mysteries of Canaan, she discovers truths about herself and Gray, the handsome glassblower, that will change her world forever. As the anarchy of the Forgetting approaches, Nadia and Gray must stop an unseen enemy that threatens both their city and their own existence -- before the people can forget the truth. And before Gray can forget her.

A witty attack on the illusion that the self is a separate ego that confronts a universe of alien physical objects.
