The Bully Society: School Shootings and the Crisis of ...

In The Bully Society, Jessie Klein proposes that there are inextricable connections between school shooting outbursts and the everyday violence of bullying, and the destructive gender pressures and social demands created by the larger culture. Her book describes how the pressures and demands have influenced youth, as well as the role they have played specifically in school shootings.

THE BULLY SOCIETY: SCHOOL SHOOTINGS AND THE CRISIS OF ...

school shooters are students (almost exclusively males) who are bullied or feel demeaned because of their association with a subordinate masculinity; their violent response against their tormenters is their desperate attempt to end the bullying and claim some measure of hegemonic masculinity. Second, the stranglehold that hegemonic masculinity and its

‘The Bully Society,’ by Jessie Klein - The New York Times

The Bully Society is a call to reclaim America’s schools from the vicious cycle of aggression that threatens our children and our society at large. Heartbreaking interviews illuminate how both boys and girls obtain status by acting “masculine”—displaying aggression at one another’s expense as both students and adults police one another to uphold gender stereotypes.
