Aaron Rowe walks in his sleep and is haunted by dreams he can't explain and memories he can't recover. Death doesn't scare him - his new job with a funeral director may even be his salvation. But if he doesn't discover the truth about his hidden past soon, he may fall asleep one night and never wake up. In this dark and witty psychological drama about survival, Aaron finds that making peace with the dead may be easier than coming to terms with the living.
