and time-consuming lawsuits.

Workersa Compensation Law provides an in-depth look at the day-to-day practice of this field while addressing theoretical aspects that form a critical foundation for this branch of law. Reviews how a worker's compensation case begins and explains activities involved in those cases, such as drafting petitions, presenting cases to an administrative law judge, and bringing an appeal. The theoretical basis of the material is laid out in easy to understand and enjoyable format reinforced with practical real-life examples. Although written with paralegal-specific information, the content includes information vital to anyone dealing with Workersa Compensation issues.

This comprehensive overview of Kentucky's workers' compensation law outlines a dependable system for representing claimants in settlement hearings and appeals. It provides a compact reference, with recent amendments, rules and decisions readily available, in the office, at home, or in court. The text discusses employer-employee relationship, elements of a case, work-relatedness, disability and death, medical and income benefits, third party actions, and more. Relevant statutes, regulations, charts, tables, and forms complete the total system approach. Kentucky Workers' Compensation is updated on an annual basis, so you always have the most current information.
