\"Purity\" The Fluoride Deception Paperback  
2006

This is a disturbing and alarming expose of  
the very real threat the fluoridation of  
water poses - now in paperback. Throughout  
the 50s and 60s, fluoride was added to the  
water supply in the US and UK and, since  
1964, much of the Republic of Ireland has  
been fluoridated.
