Access Free The Handmaid S Tale By Margaret Atwood

In this multi-award-winning, bestselling novel, Margaret Atwood has created a stunning Orwellian vision of the near future. This is the story of Offred, one of the unfortunate "Handmaids" under the new social order who have only one purpose: to breed. In Gilead, where women are prohibited from holding jobs, reading, and forming friendships, Offred's persistent memories of life in the "time before" and her will to survive are acts of rebellion. Provocative, startling, prophetic, and with Margaret Atwood's devastating irony, wit, and acute perceptive powers in full force, "The Handmaid's Tale" is at once a mordant satire and a dire warning. "From the Hardcover edition."

A chilling look at the near future presents the story of Offred, a Handmaid in the Republic of Gilead, once the United States, an oppressive world where women are no longer allowed to read and are valued only as long as they are viable for reproduction. 25,000 first printing.

NEW YORK TIMES BESTSELLER • WINNER OF THE BOOKER PRIZE • A modern masterpiece that "reminds us of the power of truth in the face of evil" (People)—and can be read on its own or as a sequel to Margaret Atwood's classic, *The Handmaid's Tale*. "Atwood's powers are on full

display” (Los Angeles Times) in this deeply compelling Booker Prize-winning novel, now updated with additional content that explores the historical sources, ideas, and material that inspired Atwood. More than fifteen years after the events of *The Handmaid's Tale*, the theocratic regime of the Republic of Gilead maintains its grip on power, but there are signs it is beginning to rot from within. At this crucial moment, the lives of three radically different women converge, with potentially explosive results. Two have grown up as part of the first generation to come of age in the new order. The testimonies of these two young women are joined by a third: Aunt Lydia. Her complex past and uncertain future unfold in surprising and pivotal ways. With *The Testaments*, Margaret Atwood opens up the innermost workings of Gilead, as each woman is forced to come to terms with who she is, and how far she will go for what she believes.

Explore the world of Gilead with this behind-the-scenes look at the Emmy Award-winning show *The Handmaid's Tale*. *The Handmaid's Tale*—the groundbreaking show produced by MGM Television, and based on Margaret Atwood's best-selling novel—has drawn rave reviews and attention worldwide. Now, this comprehensive book details the process of bringing the story to the small screen with exclusive cast and crew interviews, backstage and set photography, concept art, costume

husband and daughter—both of which were taken from her; now she belongs to the Commander and his hostile wife, and her only value lies in her ability to bear a child for them. She used to read books and learn; now such things are forbidden to all women. Gripping, disturbing, and so relevant today, *The Handmaid's Tale* is a brilliant novel and a chilling warning about what can happen when extreme ideas are taken to their logical conclusions. The summary and analysis in this ebook are intended to complement your reading experience and bring you closer to a great work of fiction.

An instant classic and eerily prescient cultural phenomenon, from “the patron saint of feminist dystopian fiction” (New York Times). Now an award-winning Hulu series starring Elizabeth Moss. In this multi-award-winning, bestselling novel, Margaret Atwood has created a stunning Orwellian vision of the near future. This is the story of Offred, one of the unfortunate “Handmaids” under the new social order who have only one purpose: to breed. In Gilead, where women are prohibited from holding jobs, reading, and forming friendships, Offred’s persistent memories of life in the “time before” and her will to survive are acts of rebellion. Provocative, startling, prophetic, and with Margaret Atwood’s devastating irony, wit, and acute perceptive powers in full force, *The Handmaid's Tale* is at once a mordant satire and a dire

warning.

In this seminal work of speculative fiction, the Booker Prize-winning author asks: In the world of the near future, who will control women's bodies? Soon to be a 10-episode TV series produced by MGM Television, starring Elizabeth Moss (Madmen), Samira Wiley (Orange is the New Black), Joseph Fiennes, and Max Minghella Offred is a Handmaid in the Republic of Gilead. She may leave the home of the Commander and his wife once a day to walk to food markets whose signs are now pictures instead of words because women are no longer allowed to read. She must lie on her back once a month and pray that the Commander makes her pregnant, because in an age of declining births, Offred and the other Handmaids are valued only if their ovaries are viable. Offred can remember the days before, when she lived and made love with her husband Luke; when she played with and protected her daughter; when she had a job, money of her own, and access to knowledge. But all of that is gone now.... Funny, unexpected, horrifying, and altogether convincing, The Handmaid's Tale is at once scathing satire, dire warning, and literary tour de force.

From the #1 New York Times bestselling author of The Handmaid's Tale
One of Margaret Atwood's most unforgettable characters lurks at the

Access Free The Handmaid S Tale By Margaret Atwood

center of this intricate novel like a spider in a web. The glamorous, irresistible, unscrupulous Zenia is nothing less than a fairy-tale villain in the memories of her former friends. Roz, Charis, and Tony—university classmates decades ago—were reunited at Zenia's funeral and have met monthly for lunch ever since, obsessively retracing the destructive swath she once cut through their lives. A brilliantly inventive fabulist, Zenia had a talent for exploiting her friends' weaknesses, wielding intimacy as a weapon and cheating them of money, time, sympathy, and men. But one day, five years after her funeral, they are shocked to catch sight of Zenia: even her death appears to have been yet another fiction. As the three women plot to confront their larger-than-life nemesis, Atwood proves herself a gleefully acute observer of the treacherous shoals of friendship, trust, desire, and power.

The Handmaid's Tale (1985), by Canadian writer Margaret Atwood, revisits the Anglo-American utopian/dystopian tradition. Appealing to imaginative fiction and the novel of ideas, the construction of perfect - or nightmarish - worlds rouses the reader's socio-political awareness of the present and invites questions on the shape of the near future. The Handmaid's Tale deconstructs the utopian narrative by breaking the chronological order of the female protagonist's

Access Free The Handmaid S Tale By Margaret Atwood

experience into a time-shifting testimony, a quest for meaning and an exploration of self versus the other. The intricate play on word and symbol can be read against the historical background of seventeenth-century New England Puritanism, as well as the twentieth-century New Right and women's rights movements, while inviting reference to the postmodernist outlook. This volume includes a bibliography, a study of the book's context, as well as essays and commentaries ; the approach has been adapted to the needs of Capes and Agregation students.

Margaret Atwood's popular dystopian novel *A Handmaid's Tale*, engages the reader with a broad range of issues relating to power, gender and religious politics. This guide provides an overview of the key critical debates and interpretations of the novel and encourages you to engage with key questions and readings in your reading of the text. It includes discussion of key themes and concepts including: - Representation of women's roles, gender, sexuality and power - Language, style and form - Dystopias and genre fictions - Power, control and religious fundamentalism. Combining helpful guidance on reading Atwood's text with overviews of significant stylistic and thematic issues and an introduction to criticism, this is an ideal companion to reading and studying *A Handmaid's Tale*.
