Idea of Usury: From Tribal Brotherhood to Universal ...

Usury Firstly, economics in the Middle Ages worked very differently from how they operate in the modern age. The Fifth Lateran Council defined usury as "from its use, a thing which produces nothing is applied to the acquiring of gain and profit without any work, any expense or any risk", and that the modern idea of what the usury is cannot be applied to Thomasian thought.

Thought of Thomas Aquinas - Usury

Usury (/ ˈ j u r i /) is the practice of making unethical or immoral monetary loans that unfairly enrich the lender. The term may be used in a moral sense—condemning, taking advantage of others' misfortunes—or in a legal sense, where an interest rate is charged in excess of the maximum rate that is allowed by law.
