"BLESSED IS THE NATION WHOSE GOD IS THE LORD" (Psalms 33:12) America-imperfect as it may be-is still the shining light on the hill to all the world. But it is now at a crossroad. Will we choose to be a nation under God or without God? America's Choice examines the overwhelming evidence of God's hand in the destiny of America-the divine calling of the Founding Fathers, their understanding that the Constitution is dependent upon a moral people, that morality requires religion, and that religion's purpose is to seek God's will. Accordingly, America's Choice explores God's will on critical moral matters such as the role of religion in the public sector, abortion, zero population growth, and capitalism vs. socialism. It proposes the ultimate solution to our country's ills, namely, a return to faith and family. In so doing this book challenges those revisionist historians, judicial activists, and secularists who would transform us from a nation under God to a nation without God. In essence, this book gives us cause to reaffirm our faith in America. "In the 20 years I have lived in the United States I have seen a shift in the way people think and talk about this country. My reading of the situation is this: nothing is more essential to the United States than asking: "Why does this country exist? To what end was it created: And then reading original sources of its founding to discover the breathtaking answers. Answers that are brilliantly illustrated by Tad Callister in America's Choice." Greg McKeown, New York Times Bestselling Author of ESSENTIALISM and EFFORTLESS
