Penguin provides a very up-to-date dictionary - its vocabulary covers an extensive range of modern terms or new words, and it generates a very cool, with-it feel. You are offered over 1600 pages, densely packed with information, but you may find that, compared to some other dictionaries, the definitions can be a little bit abrupt and restricted.

Penguin English Dictionary - Wikipedia

Years ago I bought The New Penguin English Dictionary (1986). There was nothing wrong with it, it was an excellent tool, but beside that it was a fine book. I have used it al those years, and however the paper withered the back never gave up. Now (2013) it is still sound and it never broke.
