"The Peace of Illusions is the clearest and most sophisticated argument for a radical alternative to the last sixty years of grand-strategy orthodoxy. It also signals a significant fluidity of ideological labels in the new debates on the direction of U.S. policy, itself a symptom of the widespread disorientation among American intellectuals on the world-political role of their state.

The Peace of Illusions: American Grand Strategy from 1940 ...

The Peace of Illusions is a foundational text for the offshore balancing crowd. Written from a largely realist position, Layne offers a strong critique of the contradictory and hegemonic impulses The most significant academic debate over US strategy in Asia at the moment is between the schools of 'Deep Engagement' who support the Obama/Clinton Pivot, and the 'Offshore Balancers' who don't.

The Peace of Illusions: American Grand Strategy from 1940 ...

The Peace of Illusions is an excellent analysis of U.S. grand strategy since World War II that demonstrates the continuity of President George W. Bush's foreign policy with the past. It provides a critique of the U.S. quest for hegemony over the past sixty years and proposes a policy of offshore balancing to protect American interests.

Since the end of the Cold War, most U.S. policymakers have been beguiled by a set of illusions about the world order. On critical issues, they have seen the world as they wish it were and not how it really is. President Donald Trump, who is not a product of the American foreign policy community, does not labor under these illusions.

The End of American Illusion - Foreign Affairs

The myth of Latin America as a region of peace means that each time the use of force rises to the level of global attention (e.g., Ecuador-Peru 1995 or Colombia-Ecuador 2008) analysts and the press ask, "how could that happen here?"
