In *Woodland Dreams*, young readers say goodnight to beloved woodland animals as they prepare to sleep. This sweet bedtime book is at once a picture book and a lullaby, pairing familiar bedtime routines with nonfiction elements. Little ones will follow along as each animal returns to their warm and cozy woodland home.

- Each adorable animal has their own special nighttime routine.
- Charming illustrations by celebrated artist Marc Boutavant
- Each animal is presented in an

as a group are distinctive but the individual species vary, as do the owls. Picking up the songs of a Black-capped Chickadee and a White-breasted Nuthatch, however, is not easy. That is where this enchanting book comes into its own. The Little Book of Woodland Bird Songs features recordings of twelve bird songs from some of the best-known woodland species seen and heard in North America. It is an interactive board book that is ideal for curious young readers. The sturdy pages are easy to turn and the twelve song buttons, each with a portrait of the bird, are easy to activate. The
