Leading real-estate author Robert Irwin provides home builders with valuable money-saving tips to building a home from the ground up in *Tips & Traps When Building Your Home*. Featuring a self-test to determine whether the reader is more suited to hiring it all out or doing some of it alone, this user-friendly guide outlines the perilous traps that often come with building your own home. Irwin helps readers determine whether or not to hire out the entire process or whether to act as the primary contractor. Once that is decided, Irwin then helps builders determine: How building and contracting affects home-owners' insurance Whether or not to hire an architect If building plans need to be presented to the local zoning board Contractors' and builders' adherence to electrical codes, sewage codes, and occupancy codes

The classic guide to getting the best deal when selling a home--from America's #1 real estate expert This latest edition of Bob Irwin's classic *Tips & Traps When Selling a Home* brings you up to speed on all the recent changes, regulations, and trends in real estate--whether you're new to the selling process or are an experienced home seller. It provides important information on market conditions, new tax advantages, toxic materials in the home, alternatives to the traditional broker, as well as proven strategies for handling multiple offers, dealing with "fee-for-service" and discount brokers, and holding a home for investment.

Gives advice on such topics as evaluating the property's future value, homeowners' rules, insurance issues, the board of directors, and maintenance responsibilities

Franchises are red-hot business opportunities - offering everyone from the corporate downsizing victim to the mid-life career changer to the recent college graduate the best path to becoming a successful business owner in today's troubled economy . . . Some franchises are mined with hidden costs, inflated revenue promises, poor marketing support, and worse . . . Learn how to tell the difference before you take the plunge! There's never been a better time to buy a franchise than now, provided you know what you're doing, says author and successful franchise owner Mary Tomzack. In this candid, hard-hitting book, Tomzack provides a crash course in selecting the right franchise and turning it into a lucrative, satisfying business. You'll learn all the insider secrets you need to succeed, including how to select the best franchise for your personal finances and lifestyle; what the 5 hottest franchise opportunities are for the '90s; the questions you should ask up-front, before buying any franchise - questions that will prevent unpleasant surprises down the road; how to avoid the six most common first-year pitfalls; special sources for financing if you are a woman, a minority member, or a veteran; how to navigate the legal maze, understand the fine print of a franchise agreement, and avoid last-minute "deal breakers"; what to do in your first months as a new franchisee - from buying equipment. . . to recruiting and training employees . . . to mounting local promotions; where the ground-floor opportunities are in multiunit franchising and international franchises; how to build a business empire with franchises; and much more! You'll also hear the war stories and success secrets of a wide crosssection of franchisees from across the country. They will provide you with the hard-won tips, strategies, and advice that you can rely on to help make your new venture a successful one.
