Back to Black - Wikipedia

Amy Winehouse's second album, Back to Black, is one of the finest soul albums, British or otherwise, to come out for years. Frank, her first album, was a sparse and stripped-down affair; Back to Black, meanwhile, is neither of these things. This time around, she's taken her inspiration from some of the classic 1960's girl groups like the Supremes and the Shangri-Las, a sound particularly suited to her textured vocal delivery, while adding a contemporary songwriting sensibility.

Amy Winehouse - Back To Black Lyrics | MetroLyrics

The entire album "Back to Black" is kind of a story, and taking that story into account, Back to Black is a pretty simple song. She fell hard for a man (Blake Fielder Civil) under bad circumstances (Tears Dry suggests she was the other woman from the start) and the love was a powerful mutual thing.
