Jennifer Fallon is the author of the bestselling Hythrun Chronicles, which began with the Demon Child Trilogy (Medalon, Treason Keep, Harshini). The Wolfblade Trilogy is set before the events of the Demon Child Trilogy, and follows the adventures of Damin Wolfblade's mother, Her Highness Marla Wolfblade of Hythria. Jennifer Fallon lives in Australia.

Warlord is the 1st book in the Hythrun Chronicles & follows Marla Wolfblade, Princess of Hythria as she fights for the freedom to live her own life, to rise through the ranks of a male True she has nowhere near the level of talent as authors like Terry Brooks or Robert Jordan - but all the same - I enjoy her stories.

Wolfblade (The Hythrun Chronicles: Wolfblade Trilogy, Book 1) -- book review. With Wolfblade, Jennifer Fallon goes into the past of the world she created for the Hythrun Chronicles, giving us a story of Marla Wolfblade, mother of Damin (the Hythrian Warlord in the original trilogy). Though not seen much in that trilogy, she was intriguing, irascible, politically expedient and very intelligent.
