Blood is thicker than water... Having endured more than their share of tragedy, sisters Lily and Sasha embark on a dream holiday-only to find themselves in hell. Kidnapped by a rich madman, Sasha is sold into slavery, while Lily is forced to join The Collection, a unique bevy of exotic beauties enduring frequent horrors at the hands of elite bidders. However, no amount of pain and suffering will break Lily, who will stop at nothing to save her younger sister. Possibly with help from an unlikely ally. Love is stronger than loyalty... Attempting to prove his allegiance to his employer, Jake is tasked with guarding the unruly and uncontrollable Lily. He can't afford to help her in her quest to free Sasha-not if he hopes to fulfill his own agenda. But in their dark, gritty, tension-filled world, solace is taken wherever it's found. Bonds are formed and hearts engage despite Jake's resistance and both their attempts at self-preservation. When certain secrets come to light, the resulting explosion has breathtakingly bittersweet consequences that, by the end, may not leave everyone whole...or alive.

A woman forever scarred... Emily was a captive in The Collection for five long years, enduring torment and anguish the likes of which no soul should have to bear. Now rescued, she's struggling to put the past behind her, to assimilate in a world where most will never know the evil often lingering beneath the superficial façade. Worse, she burns to avenge herself against the man who subjugated her again and again during her confinement-a man bent on getting her back. A man forever devoted... Kayne has wanted Emily for what seems a lifetime. Before they were ripped apart, theirs was an epic love, one Kayne knows is worth saving, rebuilding. Alongside her brother, Kayne searched for Emmy for years, and no amount of insistence on her part will push him away now that he's found her. Tender patience will help her heal-if her vendetta doesn't get her killed first. Satisfaction reaped from revenge is fleeting, but personal demons linger. Will Emily fight them? Or allow her flaws to overshadow her strengths, denying herself that which Kayne desperately wants to give?

From New York Times Bestselling author Corinne Michaels comes a heartbreakingly beautiful standalone story about letting love in. I'm losing myself trying to save everyone else... As a doctor, I walk a dangerously delicate balance of being compassionate but not overly invested. The same is true in my personal life--love is a luxury I can't afford. It isn't until Dr. Westin Grant breaks down all my walls and offers me a future, I find myself wondering if I'm brave enough to risk my heart. When who I was and who I've tried to become collide during my clinical trial, the fate of one patient changes everything. In a single moment, everything I've worked for is jeopardized. My integrity, my career, and even my relationship with Westin. He loved me once, I just hope he can love me always ... sections of poetry inspired by loneliness, unrequited love, and not being able to let go of past relationships. Written during the 2020 COVID-19 quarantine, the book is a reflection of what it means to yearn for people who are unavailable and how important it is to focus on self-love and healing.

Everyone knows the only thing more painful than relationships is not having them--or is it the other way around? Whatever, says author and cartoonist Nick Galifianakis. In his first book, *If You Loved Me, You'd Think This Was Cute: Uncomfortably True Cartoons About You*, he makes the case that either way, the only recourse is to embrace our frailties and laugh. Taken from Carolyn Hax's nationally syndicated advice column, this compilation spins the pain of dating, mothers-in-law, "beneficial" friends and more into ... the pain of self-recognition. The intricately drawn pen-and-ink panels and pointed captions explore some of life's most uncomfortable truths, exposing the humanity in our mistakes, the underbelly of our triumphs and the sheer heroism of trying and trying again. Throughout this character study of men and women (and the dogs who love them), Galifianakis mines our hopes and insecurities for a unifying truth: If we can't laugh at ourselves, he'll do it for us. "Nick snuck me into my first comedy club when I was only a back-acned teenager. The back acne went away but the comedy stuck. I know that last sentence sounds like a lyric from a Joan Baez song, but trust me, it's original." --Zach Galifianakis, from the foreword "Nick's cartoons are funny, witty, and smart. But what makes them so special are how universal and true they are, making the laughs they bring all the more poignant. Relationships, in all their glory, have never been captured quite so succinctly and with such charm." --Amy B. Harris, writer/producer for *Sex and the City* "Nick Galifianakis understands relationships unbelievably well, for a guy. My guess is he actually menstruates." --Gene Weingarten, two-time Pulitzer Prize winner, Washington Post humor columnist

A teenage girl plots her mother's murder with a deranged online lover in this true-crime classic by the New York Times bestselling true crime author. Jeanne Dominico was a hard-working single mother. Nicole, her fourteen-year-old daughter, was on the honor roll--and head over heels in love with an older boy she'd met through the Internet. Once the lovers met in person, Jeanne sensed trouble. If only she'd known that the life in danger was her own. With a history of psychological trouble and family misfortune, Billy Sullivan demanded obsessive and controlling power over Nicole. The twisted Romeo and Juliet responded to Jeanne's motherly concern with brutal fury--her fiancé discovered Jeanne's beaten, barely recognizable body on the kitchen floor. Nicole's stunning confession and guilty plea led to Billy's sensational trial, where a sordid tale of love, loss, betrayal, and murder finally took a cold-blooded killer offline--and behind bars. Includes sixteen pages of shocking photos "Phelps is one of America's finest true-crime authors." --Vincent Bugliosi "Phelps is

NEW YORK TIMES BESTSELLER • Can't get enough of Joe Goldberg? Don't miss the latest thriller in Caroline Kepnes's compulsively readable You series, with an all-new plot not seen in the blockbuster Netflix show. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY MARIE CLAIRE • “Fiendish, fast-paced, and very funny.”—Paula Hawkins, #1 New York Times bestselling author of *The Girl on the Train* Joe Goldberg is done with the cities. He's done with the muck and the posers, done with Love. Now he's saying hello to nature, to simple pleasures on a cozy island in the Pacific Northwest. For the first time in a long time, he can just breathe. He gets a job at the local library—he does know a thing or two about books—and that's where he meets her: Mary Kay DiMarco. Librarian. Joe won't meddle, he will not obsess. He'll win her the old-fashioned way . . . by providing a shoulder to cry on, a helping hand. Over time, they'll both heal their wounds and begin their happily ever after in this sleepy town. The trouble is . . . Mary Kay already has a life. She's a mother. She's a friend. She's . . . busy. True love can only triumph if both people are willing to make room for the real thing. Joe cleared his decks. He's ready. And hopefully, with his encouragement and undying support, Mary Kay will do the right thing and make room for him.

A contemporary romance for anyone who's ever believed that true love never leaves our hearts. . .

. . . I wanted you more than you'll ever know, so I sent love to follow wherever you go. . . . Love is the greatest gift we have to give our children. It's the one thing they can carry with them each and every day. If love could take shape it might look something like these heartfelt words and images from the inimitable Nancy Tillman. *Wherever You Are* is a book to share with your loved ones, no matter how near or far, young or old, they are.

Do you know what it feels like when someone likes you with enormous emotions? But you are not allowed to develop an interest in him because your father instructed you not to get involved in such emotional relationships. But on the other hand, you don't want to hurt him either... Here comes the emotional play where you are not able to say yes or no. But her love turns him into a stronger person from an average man, And gave him a reason to face adverse conditions strongly. But still, he doesn't know what to tell her... This story is all about the emotional play between the two of them. Lastly, the boy asked the girl, “Can you tell me one thing?” She asked, “What?” “Why you loved me?...”
